Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

First-aid measures after ingestion	Rinse mouth out with water. Do not induce vomiting. Give nothing or a little water to drink. Get medical advice/attention if you feel unwell. Call a poison center or a doctor if you feel unwell.
4.2. Most important symptoms and effects	a (acute and delayed)
Potential adverse human health effects and symptoms	Causes serious eye irritation. May cause respiratory irritation.
Symptoms/injuries after inhalation	FOLLOWING SYMPTOMS MAY APPEAR LATER: Irritation of the nasal mucous membranes. Irritation of the respiratory tract.
Symptoms/injuries after eye contact	Causes eye irritation.
Chronic symptoms	Dust of the product, if present, may cause respiratory irritation after an excessive inhalation exposure. Irritation of the eye tissue. Irritation of the nasal mucous membranes. Irritation of the respiratory tract.
4.3. Immediate medical attention and spec	ial treatment, if necessary
Treat symptomatically.	
SECTION 5: Fire-fighting measures	
5.1. Suitable (and unsuitable) extinguishin	n modia
	Water spray. Dry powder. Foam.
	Solid water jet ineffective as extinguishing medium.
5.2. Specific hazards arising from the cher	
•	Dust cloud can be ignited by a spark.
Reactivity	Stable under normal conditions and use.
5.3. Special protective equipment and pre-	cautions for fire-fighters
Firefighting instructions	In case of fire: Evacuate area. Fight fire remotely due to the risk of explosion.
Protection during firefighting	Do not attempt to take action without suitable protective equipment. Self-contained breathing apparatus. Complete protective clothing.
Other information	High temperature decomposition products are harmful by inhalation. In case of fire, corrosive and harmful gases come free. On exposure to high temperature, may decompose, releasing
	toxic gases.
SECTION 6: Accidental release measu	
	ires
6.1. Personal precautions, protective equi	ires
6.1. Personal precautions, protective equi	Ires pment and emergency procedures
6.1.Personal precautions, protective equiGeneral measures6.1.1.For non-emergency personnel	Ires pment and emergency procedures
6.1. Personal precautions, protective equi General measures	Ires pment and emergency procedures Isolate from fire, if possible, without unnecessary risk. Evacuate area.
6.1. Personal precautions, protective equi General measures	Ires pment and emergency procedures Isolate from fire, if possible, without unnecessary risk. Evacuate area.
6.1. Personal precautions, protective equi General measures	ITES pment and emergency procedures Isolate from fire, if possible, without unnecessary risk. Evacuate area. Ventilate spillage area. Do not attempt to take action without suitable protective equipment. For further information

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

7.2.	Conditions for safe storage, includi	ing	any incompatibilities
Storage	conditions	:	Store in original container. Protect from sunlight. Store in a well-ventilated place. Keep container tightly closed. Store in a well-ventilated place. Keep cool.
Storage	area	:	Keep container in a well-ventilated place. Keep only in the original container. Keep out of direct sunlight. Store away from heat.

SECTION 8: Exposure controls/personal protection

8.1.	Control parameters
Propr	rietary
Not ap	pplicable

8.2. Appropriate engineering controls Appropriate engineering controls : Ensure good ventilation of the work station.

Environmental exposure controls

: Avoid release to the environment.

8.3. Individual protection measures/Personal protective equipment

Hand protection:

Protective gloves

Туре	Material	Permeation	Thickness (mm)	Penetration
Reusable gloves	Viton® II, Butyl rubber			

Eye protection:

Safety glasses

Туре	Use	Characteristics
Safety goggles, Face shield	Droplet, Dust	

Skin and body protection:

Wear suitable protective clothing

Respiratory protection:

In case of insufficient ventilation, wear suitable respiratory equipment

SECTION 9: Physical and chemical properties

9.1.	Information on basic physical a	and che	mical properties
Physica	l state	:	Solid
Appeara	ance	:	Powder.
Colour		:	Black
Odour		:	Odorless
Odour th	nreshold	:	No data available
pН		:	No data available
Melting	point	:	No data available
Freezing	g point	:	Not applicable
Boiling p	point	:	No data available
Flash po	bint	:	Not applicable
Relative	evaporation rate (butylacetate=1)	:	No data available
Flamma	bility (solid, gas)	:	Non flammable.
Vapour	pressure	:	No data available
Relative	vapour density at 20 °C	:	No data available
Relative	density	:	1
Solubilit	у	:	No data available
Log Pov	v	:	No data available

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

according to Federal Register / Vol. 77, No. 58 / Monday,	March 26, 2012 / Rules and Regulations
Auto-ignition temperature	: Not applicable
Decomposition temperature	: No data available
Viscosity, kinematic	: Not applicable
Viscosity, dynamic	: No data available
Explosive limits	: Not applicable
Explosive properties	: No data available
Oxidising properties	: No data available
9.2. Other information	
No additional information available	
SECTION 10: Stability and reactivity	
10.1. Reactivity	
Stable under normal conditions and use.	
10.2. Chemical stability	
Stable under normal conditions.	
10.3. Possibility of hazardous reactions Stable under normal conditions of use.	
10.4. Conditions to avoid	
No data available.	
10.5. Incompatible materials	
No data available.	
10.6. Hazardous decomposition products	
No data available.	
SECTION 11: Toxicological informat	ion
11.1. Information on toxicological effects	
Acute toxicity	: Not classified

ransport by sea		
Not applicable		
Air transport		
Not applicable		
SECTION 45: Desculatory informati		
SECTION 15: Regulatory informati		
15.1. US Federal regulations		
All components of this product are listed, or e Substances Control Act (TSCA) inventory ex	excluded from listing, on the United States Environmen cept for:	tal Protection Agency Toxic
Proprietary	CAS No	100%

15.2. International regulations CANADA Proprietary Not listed on the Canadian DSL (Domestic Substances List)/NDSL (Non-Domestic Substances List)

EU-Regulations

No additional information available

National regulations

No additional information available

15.3. US State regulations

California Proposition 65 - This product does not contain any substances known to the state of California to cause cancer, developmental and/or reproductive harm

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

SECTION 16: Other information	
NFPA health hazard	: 1 - Exposure could cause irritation but only minor residual injury even if no treatment is given.
NFPA fire hazard	: 0 - Materials that will not burn.
NFPA reactivity	: 0 - Normally stable, even under fire exposure conditions, and are not reactive with water.
HMIS III Rating	
Health	: 1 Slight Hazard - Irritation or minor reversible injury possible
Flammability	: 0 Minimal Hazard - Materials that will not burn
Physical	: 0 Minimal Hazard - Materials that are normally stable, even under fire conditions, and will NOT react with water, polymerize, decompose, condense, or self-react. Non-Explosives.
